Repose

Specialist Seating Solutions
a prismhealthcare company

The Arden is an innovative Bariatric chair that through its unique four motor technology is able to combine Independent Tilt in Space (TIS) movement with Independent Backrest Recline, Independent Leg Rest and Rise movements. In addition, it comes with a low-profile seating option and an extendable leg rest. This 50 stone chair, with a 25 stone leg rest capacity, offers luxurious comfort with maximum adaptability.

Featured fabrics: Outer arms and wings in Manila Char MNL16 and arms/inner arms and wings in Valencia Sonne. Inner seat and back in grey vapour permeable multi-way stretch fabric.
