

# Harlem Porter

Specialist Seating Solutions  
a prismhealthcare company

Every aspect of the Harlem Porter has been researched and engineered to provide a feeling of comfort, safety and security. Each element of the design is tailored to support those with conditions associated with severe or involuntary movement. It is also an excellent porter chair for the frail and elderly.

Featured fabrics: Outer arms and wings in Highland Hugo Citrus and Charcoal; Inside arms and wings in Brookland Wasabi and inner in Highland Stretch Zinc
