Specialist Seating Solutions  
a prismhealthcare company

Designed for comfort and pressure management control, the Multi Bari has removable waterfall back cushions that can be individually positioned and re-positioned for comfort with the option to add or remove fibres to alter their firmness. Couple this with individually positioned back blockers offering further lumbar adjustments, plus the option for the seat and width measurements to be built to the user's requirements, and this chair is ideal for people seeking deep comfort and enhanced posture control.

Featured fabrics: Outer arms and wings in Highland Navy  
Inside arms and wings in Lime and inner in blue vapour permeable multi-way stretch fabric
