

Brooklyn

The Brooklyn is a Single Tilt in Space Porter Chair with a simple to adjust seat depth adjustment.

Brooklyn

The Brooklyn porter chair comes with all the support and comfort features of our healthcare chairs but with the added advantage of an electric, single tilt in space recline, for ease of movement.

Controlled from an easy to use handset the chair can be smoothly reclined and repositioned by the person using the chair or the carer.

Key features at a glance:

- Choice of interchangeable back cushions
- Choice of interchangeable pressure management seat cushions
- Single Motor Tilt in Space recline only mechanism
- Seat depth adjustment
- Sliding footplate with removable cover
- Heavy-duty push handle with rubber grips and a hook for the handset
- D-rings fitted as standard
- Seat and leg rest generously padded with memory foam and with a removable cover
- Four heavy duty lockable castors
- Available in a wide range of fabrics.

Additional options:

- Lap strap and pad
- Handset loop on arm
- Full length arm covers
- Replacement chaise cover and memory foam
- Range of headrests
- Accupak rechargeable battery system for mains free operation.

“Comfort is at the heart of the Brooklyn with interchangeable back and seat cushions for enhanced pressure management. It is adaptable as a client’s conditions progress or it can be used with multiple users.”

Kate Sheehan
Independent Occupational Therapist
